ABOUT ME

Passionate Frontend Developer and Computer Science undergraduate with hands-on experience building responsive, user-centric web applications using React, JavaScript, Tailwind CSS, and modern frontend technologies. Possess a strong foundation in web security through professional Ethical Hacking and Cyber Security training. Seeking opportunities to contribute to innovative development teams while growing into a Full Stack Software Engineer.

EDUCATION

NORTHERN UNIVERSITY BANGLADESH

Bachelor of Science in Computer Science & Engineering (CSE)
2024 - Present

TECHNICAL SKILLS

Frontend

- HTML5
- CSS3
- Tailwind CSS
- JavaScript (ES6+)
- React.js
- Next.js

Backend

- Node.js
- Express.js
- REST API Development

Database

- MongoDB
- Mongoose

Programming Languages

- JavaScript
- C
- C++

Tools & Platforms

- Git
- GitHub
- Linux
- VS Code
- NPM
- Vercel

PROJECT EXPERIENCE

DRIVEFLEET – VEHICLE RENTAL PLATFORM

Next.js | Node.js | MongoDB | Authentication

- Developed a full-stack vehicle rental management platform.
- Implemented authentication and protected routes.
- Built vehicle listing, booking, and management functionality.
- Integrated MongoDB database using Mongoose.
- Deployed application using modern cloud deployment practices.

TRENDYKOTHA – MODERN BLOGGING PLATFORM

Next.js | Node.js | MongoDB | Mongoose | Authentication

- Developed a full-stack blogging platform for creating, publishing, and managing articles.
- Implemented secure authentication and protected user-specific routes.
- Built blog creation, editing, deletion, and content management functionality.
- Integrated MongoDB database using Mongoose for efficient data modeling and storage.

ENGLISH JANALA

JavaScript | API Integration

- Developed an educational platform for learning English vocabulary.
- Implemented API integration and interactive learning features.
- Built a fully responsive user experience.

ACHIEVEMENT

- Built multiple responsive web applications using modern frontend technologies.
- Developed practical projects involving web security, cryptography, and software engineering concepts.
- Continuously learning Full Stack Development and System Design.
- Maintained an active GitHub portfolio showcasing development projects.

LANGUAGES

- Bengali – Native
- English – Professional Working Proficiency
- Hindi – Basic Working Proficiency
